

## A Questionnaire Survey for Tunghai University Off-campus Internship Course Student Feedback (For use by interns)

Hello!

The objective of this survey is to ascertain whether the integration of off-campus internships effectively bolsters students' practical aptitude and personal growth subsequent to their involvement in such courses. Additionally, this information will be shared with educational institutions to aid in the comprehensive planning of off-campus internship programs. The survey is designed for a holistic assessment and your candid responses are sincerely encouraged. Your invaluable insights will contribute to the refinement of future internship experiences. I extend my heartfelt gratitude and wish you continued well-being and academic achievements!
